Dear Official,

A new season of Ball Hockey is quickly approaching and like last year, there is a requirement that all officials be registered and certified order to referee in any OBHA sanctioned league or event.

Please follow the steps outlined below to attain your 2019 certification:

ALL OFFICIALS MUST PRE-REGISTER FOR CLINICS

Step 1 Complete the OBHA Officials Registration Form and send it with a E-transfer, cheque or money order to arrive at the OBHA office no later than 5 days in advance of the clinic selected.

Credit Card payments are no longer accepted.

Step 2a If you are over the age of 16 and have obtained a minimum Hockey Canada Officials Level II certificate for the 2018-19 season, or if you are over 16 years of age and have more two or more years of ball hockey experience you are eligible to attend a half day morning session clinic.

Step 2b If you do not meet the requirements in **Step 2a** you must attend a full day clinic to obtain certification for the 2019 season. The clinic will cover all topics in Step 2 (a) above along with a more extensive review of the Casebook/ Rulebook.

Step 3 All individuals who attain the required passing grade will receive confirmation at the clinic or afterward, no later than May 15, 2019.

Note: *All referees who register and write the Adult exam are eligible to officiate in all divisions, including Minor's. Officials who attend a Minor's Clinic and write the Minor's exam can only officiate in the Minor's Division.*

REGISTRATION:

You must register and pre-pay directly with the OBHA office no later than 5 business days in advance of the clinic date you have selected.

*You will receive confirmation via e-mail once your payment has been processed. **You must provide an email address.** If you do not receive confirmation please contact the OBHA office to verify your registration.*

A late fee of \$50.00 will be applied to any returning adult official who registers after the March 15, 2019 deadline without exception.
